2021 COMPLETE BIKE PREVIEW

A close-up photograph of a black bicycle frame. The frame is highly reflective, showing highlights and shadows. On the top tube, the words 'STOLEN S BRAND' are printed in a stylized font, with a purple and white 'S' logo. On the down tube, there is a silver-colored eagle emblem with the word 'STOLEN' below it. The handlebars and front fork are also visible, all in black.

THIS IS A **DEALER ONLY** FLIP BOOK

WANTED TO SHARE THIS PREVIEW OF OUR 2021 COMPLETE BIKE LINE. FRAMES, BARS & PAINTED, WHEELS ARE ASSEMBLED AND WE ARE ASSEMBLING BIKES AS I WRITE THIS. WILL START SCHEDULING CONTAINERS AND SENDING OUT INVOICES.

WE PRIDE OURSELVES AT STAYING AHEAD OF THE COMPETITION BY OFFERING SOME OF THE BEST QUALITY BMX BIKES MADE.

WE ACHIEVE THIS DESIRED QUALITY THROUGH THESE KEY POINTS;

1. WE MANUFACTURE AND ASSEMBLE OUR BIKES IN TAIWAN, NOT CHINA.

2. OUR COMPONENTS LIKE FRAMES, FORKS, BARS, CRANKS & RIMS ARE MADE USING OUR OWN SPECIALTY PART MAKERS (NOT OEM CHEAP MAKERS).

3. WE ARE PRIVATELY OWNED SO WE CAN ADJUST TO MARKET CHANGES QUICKER THAN OUR COMPETITORS.

4. WORKING WITH THESE KEY POINTS DOES COST MORE BUT WHERE IT AVERAGES OUT IS WE DON'T NEED TO HAVE FULL-TIME WARRANTY STAFF LIKE OUR COMPETITORS.

5. LOOKING FORWARD TO A GREAT YEAR!
